| ABOUT PLAST | |
|--------------------|--|
| | <p>Founded in 1912, Plast is the Ukrainian scouting organization. Following the Second World War Ukrainian scouting made its way to the diaspora communities in Australia, Canada, United States, England, Argentina, Germany, and since 1991 has been actively re-established as Ukraine's largest youth organization. Plast's mandate in Canada is to preserve and foster the principles of scouting, develop responsible citizens and to preserve and develop our Ukrainian-Canadian heritage.</p> <p>In Winnipeg we offer weekly activities for youth, organize numerous summer camps each year and send our counselors to national and International leadership courses. Plast Winnipeg especially welcomes newcomers from Ukraine and facilitates the participation of all children in our camps and activities.</p> |
